

TWILIGHT SHOOTING STAR

LED DIGITAL STAR LIGHTING

YOU COMMAND THE NIGHT!

Epic Sky's Shooting Star Kit creates exciting night sky effects with Epic Sky's innovative digital star LED technology. **Eye dazzling shooting star effects** are sure to amaze.

Available in white light or full color models with an optional RS232 controller for unlimited control.

INSTALLATION IS SIMPLE AND EASY!

- 1 Position template to your chosen surface and drill the shooting star pattern.
- 2 Insert the fibers into the holes and glue into place.
- 3 Screw the pre-made fiber head into the Shooting Star module then turn it ON!

You can trim the fibers flush after your final coat of paint. Intervals of your desired effect can be adjusted through DIP switches on the back of the Shooting Star module.

KIT INCLUDES:

STAR KIT MODULE

8 FT. FIBER OPTIC TAIL
